 - A. BexleyAthleticBoosters.org (Website update) – Sharon informed everyone that the website is up and working. The group needs to check it out. It is not totally complete and the link from Lions.com is not working yet. Email is working. Credit Card information will be available. Script included on site.
 - B. Scrip @ BHS Basketball Home Games (boys & girls) - Kevin will set up a table outside all home BHS b-ball games to sell script, membership and miscellaneous booster clothing and water bottles. Need volunteers. Varsity games – suggested times: 7:00 pm to 8:00 p.m.

- II. Athletic Director's Report – John
 - A. Cassingham Softball Diamond – Since we did not meet in October, John would like consideration for Softball request for Cassingham softball field (varsity softball teams CANNOT play on Cassingham fields. Total \$5796.00 [Keller Farms])
 - B. Fall Season – Great season for all teams. John is surveying all varsity athletics (24 questions) key development assets. Fall, Winter, Spring results and bring to board. Links to academics.

- C. Facilities – Lots of great feedback on fields, gym, etc. John talked to Jim Ryan to start earlier for golf outing. Hopefully coming to March meeting.
 - D. The Lion's Pride Pass – students seemed to embraced it and possibly assisted in greater student sections for fall games. It is a bargain if you go to the Prom because it is included in the price. Student captains suggested keeping it for next year.
 - E. Bridget Ebenajck, Girls Varsity Softball Coach – gave feedback on Dr. Kay for field hockey. Very helpful for team. Softball field at Clowson needs to be improved. This is separate from the baseball field. Items detailed in the handout provided: improving grading, tarp, warning track, bull-pens, improved storage areas, electric scoreboard/radio, bleachers and a press box. Total estimate from Keller Farms - \$5480.00. Lannis Fence Systems – total \$1800.00.
